

Welcome to Torino!

Università degli studi di Torino
Corso di Laurea in Medicina e Chirurgia
Polo di Torino

Our Faculty has not a central and unique location: classrooms are located in different buildings in the area near “Città della Salute e della Scienza”.

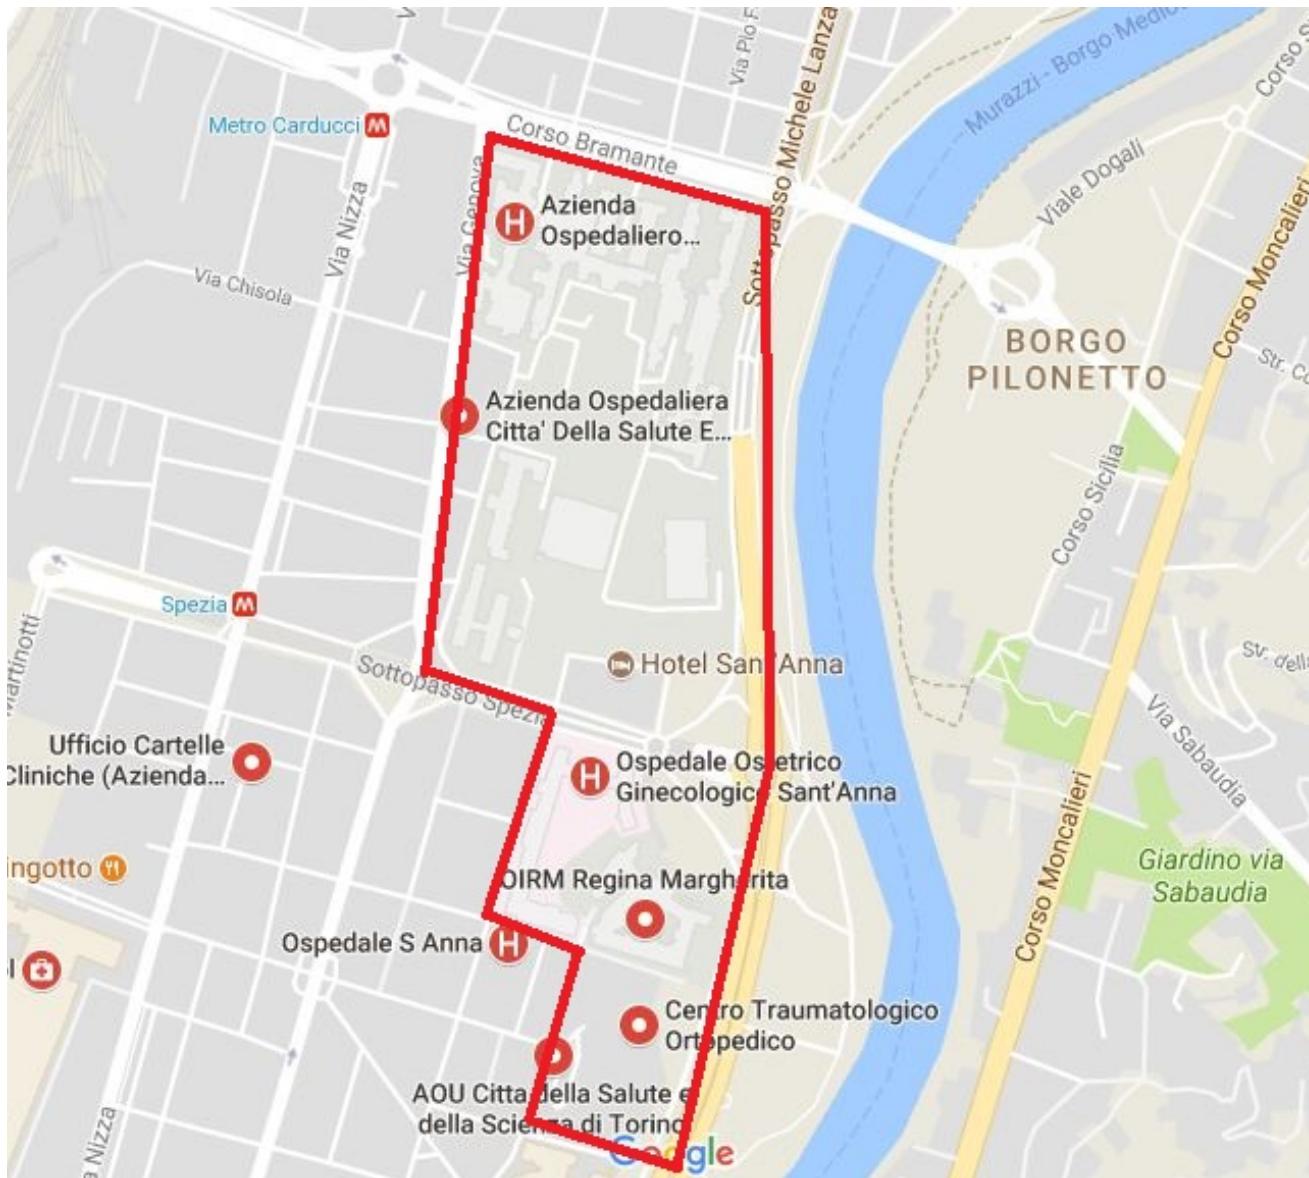

The classroom is usually the same throughout the semester but it is different for each year .

It is divided into:

- POLO BIOLOGICO
- POLO CLINICO

Corso Bramante, 88/90 - 10126 Torino (Tel. 011-633.1633).

Azienda Ospedaliera Universitaria Città della Salute e della Scienza di Torino

It is the University's central Hospital, the largest hospital of Piemonte and the third in Italy. It is also known as **Molinette**.

In fact it is a set of hospital facilities, connected by underground corridors.

C.S. Bramante 88/90

Via Genova 3

Via Cherasco 15

Via Santena 5

Because of its big dimension, there are many different entrances.

Erasmus Referents

L. Charrier (lorena.charrier@unito.it) is the referent professor during your Erasmus stage. She can help you with teaching problems (learning agreement, practical trainings,...).

Contact her to get an appointment ASAP at your arrival in Torino

Please, contact the Erasmus Office (internationalexchange@unito.it) if you have administrative problems concerning your application, deadlines related to your mobility, exams application, online career compilation, problems with your login or password to enter MyUnito.

The academic year

It is split into two semesters:

1. from October to January.
2. from March to June.

Remember that Erasmus incoming students have to refer to Italian Erasmus referent for arranging their practical activities! You must not follow the indications of your Italian mates, but just the ones of the referent professor! The organization of your internship is different from the one of Italian students!

The academic calendar is available at: <http://medchirurgia.campusnet.unito.it/do/home.pl>

Remember: Attendance to courses is compulsory! If you are not in the students' list, please add your name at the end of the list and sign it, as a proof of your lessons attendance! Discuss with your professors at the beginning of the semester, if you have problems for attending all lessons, because of overlaps in your schedule.

How can you get information about the location of your classroom?

<http://medchirurgia.campusnet.unito.it/do/home.pl>

To see the timetable:

“Per chi studia con noi” → “orario lezioni”.

Then you can choose the year of study and the «Canale» (group).

There are two «canali»: A and B, on the basis of the first letter of a student's surname (A to K = canale A; L to Z = canale B).

To see where the classrooms are:

→ “Dove siamo”

The screenshot shows the website's navigation menu. The 'Per chi studia con noi' dropdown is open, and 'Orario lezioni' is circled in red. Other visible options include 'Insegnamenti', 'Attività didattiche elettive (ADE)', 'Tirocini', 'Regolamenti', 'Docenti', 'Piano carriera', 'Esami', 'Progress Test', 'Laurea', 'Aule e laboratori', and 'Biblioteche'. The main content area features icons for 'DOVE SIAMO', 'CONTATTI', 'ISCRIZIONI E TRASFERIMENTI', 'PROSEGUIRE GLI STUDI', and 'MOBILITA' INTERNAZIONALE'.

The screenshot shows the same website with the 'Dove siamo' icon (a location pin) circled in red. The main content area also includes icons for 'CORSO DI STUDI IN BREVE', 'PROFILI PROFESSIONALI', 'CONTATTI', 'ISCRIZIONI E TRASFERIMENTI', 'PROSEGUIRE GLI STUDI', 'MOBILITA' INTERNAZIONALE', 'INTERNATIONAL STUDENTS', 'JOB PLACEMENT', 'TIROCINIO E STAGE', 'QUALITA', 'MANIFESTO/GUIDA', and 'TUTORATO'. A footer notice states: 'Tutto il materiale presente in questo sito è protetto da diritto d'autore; può essere utilizzato per finalità di studio e di ricerca a uso individuale e non può essere utilizzato per finalità commerciali, per finalità di lucro anche indiretto (per es. non può essere condiviso su piattaforme online a scopo di lucro o su siti che guadagnano con introiti pubblicitari). È inoltre vietata la condivisione su social media.'.

Exams

There are 3 ordinary periods of exams (winter, summer and autumn sessions) and 2 extraordinary ones (Christmas and Easter sessions).

Christmas session is available only for courses attended in the previous Italian academic year, it's not allowed for courses attended from September to December (so it is not available for Erasmus students).

Easter session is available just for for courses attended during the first semester.

For each session there may be one or more exams dates (usually 2 in the ordinary and 1 in the extraordinary sessions, so there are 8 dates for each exam along the year).

EXAMS PERIODS:

Winter session: February

Easter session: April (for courses attended during 1 semester only)

Summer session: June and July

Autumn session: September

The specific period of the exam sessions are available at <http://medchirurgia.campusnet.unito.it/do/home.pl>

«Appello» is the word used to indicate the exam's calling date.

To sign for an exam/ADE/training:

You must enter your personal site “MyUnito” (www.unito.it → login).

In the top menu select «esami» (or “exams” in the English version).

In “Appelli disponibili” (Available exams sessions) there is the list of available exam dates. To enroll for the activities or the exam you are interested in you must select the **icon of the book** on the left.

“Bacheca prenotazioni” (Exams booking board): shows the exams or activities you have reserved.

Remember: you can only enroll for an exam in a selected period, so check carefully the beginning and finishing date of this period.

In “Bacheca esiti” (Results notice board) there are the results of your exams. To **accept or reject your mark** you may click on the icon near the result. If you don’t answer in 5 days, the mark is considered accepted and won’t be possible to change it.

Remember!

- Without the **online registration**, the professor will not be able to register your **exams**, so they will not appear in the final Transcript of Records (TOR)
- Online registration is allowed exclusively for exams/ADE/TIROCINI included in the **student's Career Plan**. Don't forget to complete it online!
- In any case of problems related to the **exam registration process**, please contact internationalexchange@unito.it
- For the final evaluation of your **practice**, in order to get it in the final TOR, please complete the **online registration** (in the same way as you have done to enroll for an exam date)
- On *Campusnet* you will find the “**certificates of attendance**” of your practice. Please, download this file, fill them in, one for each practical training, and make them signed by your clinical tutors
- Before starting your practice period, you are supposed to attend a **Medical visit** at the Occupational Medicine Department (bring your vaccinations certificate with you) and complete a written, multiple choice test about the **risk in Medical structures**. Don't worry, the Italian Erasmus referents will help you to manage all this procedure.

Very important websites to check during your erasmus stage!

LOOKING FOR SOMEWHERE TO LIVE

The University of Torino provides a range of options to help its international students and guests to find an accommodation in the city. It is possible to look for an accommodation through the services:

- **Sportello Casa Service** (private flats or shared apartments with other students): the University of Turin offers Erasmus students free assistance in finding apartments and rooms in the city.

Via Verdi 26/a - 10124 Torino

Tel. 011.8138328

Fax. 011.8391463

<http://www.sportellocasapiemonte.it/en-us/home-page.aspx?idC=61642&LN=en-US>

e-mail: torino@sportellocasapiemonte.it

- **Internet platform Housing Anywhere:** it is a student-to-student housing platform for exchange and internship students. Housing Anywhere is a very effective tool which increases the housing offers and the amount of short term accommodation for incoming exchange students.
- **Edisu University Residences** (temporary accommodation ONLY for Erasmus students).

Once arrived in Torino, you will also find several offers on the **notice boards** for students in **the Schools/Departments buildings**.

CUS - Torino

CUS Torino is the university **sports center**. It organizes a lot of sport activities and competitions with special offers for students.

With the CUS card you can access the sport facilities, activities and discounts; it allows you to rent a tennis, beach volley or football court.

To see the list of the discounts and the activities you may also use the page www.custorino.it , send an email to erasmus@custorino.it or call +39.011.338307.

A scenic view of the Po River in Torino, Italy. The river flows through the center of the image, reflecting the surrounding landscape. On the left bank, there are dense trees with autumn foliage in shades of yellow and orange. On the right bank, there are more trees, some with vibrant red and orange leaves. In the background, the Mole Antonelliana, a tall, slender tower, stands prominently against a clear blue sky. The overall atmosphere is peaceful and picturesque, capturing the beauty of the city during the fall season.

Enjoy your Erasmus in
Torino!
